Weekly Practice Agreement (Scholarship Students)

I agree to practice a minimum of 120 minutes per week in order to maintain my scholarship status. I understand that I must turn this form in at the end of each week via 88notesmusic.com to get credit for my practice time. Should I not meet my minimum practice requirements, I risk losing my scholarship and place in band.

By signing, I am acknowledging to honestly uphold my end of the agreement for the 2019/2020 band season.
